

Informal Early Feedback

TA Name: Cyrus Vandrevala
Course: PHYS 241

This survey is meant only to assess my performance as your recitation TA and gauge how the recitation sections are proceeding. It has nothing to do with your professor in lecture or any assignments outside of recitation.

* * *

My recitation instructor...

	Strongly Disagree	Disagree	Average	Agree	Strongly Agree
takes my views and comments seriously					
shows a clear understanding of the subject					
appears well prepared and organized in class					
is open to questions					
is concerned that students learn					
answers emails promptly					
provides good explanations to student's questions					
presents examples similar to the homework and explains them well					
gives quizzes that assess the material covered in lecture					
communicates clearly what is expected from students on quizzes and assignments					

	Poor	Below Average	Average	Good	Excellent
Thus far, I feel like my grasp of the material in PHYS 241 is:					
Overall, I would rate the grading policy in recitation as:					
Overall, I rate my recitation instructor as:
